

Curriculum Vitae

Jason W. Slocum
4602 Marks Dr.
Corpus Christi, TX 78411
Jason.slocum@tamucc.edu
(512)-731-1494

Education

M.S. Biology, Texas A&M University-Corpus Christi.

Completion expected May 2009
GPA 3.13/4.0

B.S. Biology, Texas A&M University-Corpus Christi. Emphasis in marine science and field research. 2005

GPA 2.77/4.0

Area of specialization research interests

My research interests include many areas of marine biology and ecology including food web ecology, ecosystem based management, and fisheries ecology. Understanding complex marine food webs and applying them to ecosystem based management of marine ecosystems is key in conserving coastal habitats.

Professional Background

January 2008 – Present

Graduate Teaching Assistant (TA)

Texas A&M University-Corpus Christi, Corpus Christi, TX 78412

- Teaching 1 section of Microbiology 2420 (nursing majors)
- Teaching 1 section of Introductory Biology 1406
- Prepared media and cultured bacteria used in labs
- Responsible for grading student assignments

August 2007 – December 2007

Graduate Teaching Assistant (TA)

Texas A&M University-Corpus Christi, Corpus Christi, TX 78412

- Taught 3 sections of Introductory Biology 1406
- Graded student assignments
- Setup equipment for weekly labs
- Prepared analytes as needed for labs

Professional Skills

- Extensive field research experience
- Operated and maintained boats, motors, and trailers
- Proficient with sample techniques/devices: benthic sled, cast net, single line sampling, bag seine, etc.
- Excellent computer skills in most popular software programs (e.g. Microsoft Word, Excel, PowerPoint)
- Eagle Scout

Professional Organizations

- Coastal Conservation Association (CCA) Member 2006 – Present
- Ducks Unlimited (DU) Member 2006 – Present
